Commissioner, Deputies and Chris,

Please find the POIB Strategic Report in relation to the Freedom Convoy 2022. A third HENDON meeting occurred with all partners today at 1100 hrs.

1. The truck convoy from the northwest (Manitoba) is anticipated to arrive in Ontario at approx 1930-2000 hrs this evening. POIB personnel will be in position to observe for numbers of persons, numbers of vehicles and the attitude displayed by participants – as will PLT. A POIB Fast Fact report will be produced tonight at 2100 hrs to reflect these findings. POIB will have observations on this convoy as it travels east.
2. Convoys from the east (Quebec) are anticipated on 28-29 January and the SQ will provide specific information as this develops in Quebec.
3. Other southern-based convoys (from SW Ontario – Windsor, Sarnia, Toronto and Niagara) are scheduled to depart on January 27th *en route* to Ottawa.
4. There are other, ongoing events planned that are more local in scope.
5. The attached document provides all of our HENDON contacts with information on key OPP personnel for this event.

It should be noted that while these events pose public safety implications, and have acted as a lightning rod for rhetoric, there has been no specific, criminal activity reported to have occurred in relation to this convoy/event.
